

# VENISON LOTTERY

Village of Chenequa  
December 2011

Approximately, 60 deer are offered each year as a result of our efforts to manage the local deer population. Beginning this fall the procedure to receive a deer will change to a lottery drawing.

**We will no longer accept phone/fax or email requests.** Due to an overwhelming demand from the public, the procedure to acquire unprocessed venison from our sharp shooting program has changed.

## **New procedure**

Sixty five (65) names will be drawn December 21, 2011. These names will be recorded in order of the drawing. If your name is drawn you will be notified via the phone number given in the application, that you have made the list.

Note: due to the variable number of deer taken from year to year, we can not guarantee you receive a deer, even though your name was drawn. Also, if the number of deer taken exceeds 65 then an additional drawing will be made for each additional carcass.

The sharpshooting portion of our Deer Management program begins in early January and continues until mid-March. Individuals will be called in the order in which their names were drawn.
