(a) WITHIN TWO HUNDRED (200) FEET OF SHORELINE. A person operating a motorboat shall operate at slow-no-wake speed when within two hundred (200) feet of a shoreline.

(b) **BOATS PASSING SWIMMERS, BOATS OR OTHER OBJECTS.** A person operating a motorboat shall operate at slow-no-wake speed when within one hundred (100) feet of a swimmer, diving flag, canoe, rowboat, sail boat, non-operating motorboat or raft.

(c) **AT NIGHT TIME.** No person shall operate a motorboat at a high rate of speed from one hour after sunset each day until one hour before sunrise of the next day.

(d) **OPERATION IN CIRCUITOUS COURSE.** No person shall operate or use a motorboat or personal watercraft repeatedly in a circuitous course with a diameter of less than 200 feet at a speed in excess of slow-no-wake speed.

(5) **SAFE OPERATION REQUIRED.** No person shall operate, direct or handle a boat in such manner as to unreasonably annoy, unnecessarily frighten or endanger the occupants of his or other boats.

(6) **RACING PROHIBITED.** No person shall operate a motorboat in a race or speed contest with any other motorboat, except as provided in section 4.02(9).

(7) **WATER SKIING.**

(a) **DISTANCE FROM SWIMMERS, BOATS OR OTHER OBJECTS.** No person on water skis, aquaplane, surfboard or similar device shall pass, and no person operating a boat which is pulling or towing such skier or rider shall cause such skier or rider to pass within one hundred (100) feet of a swimmer, diving flag, canoe, row boat, sailboat, non-operating motorboat, raft or pier, except in the course of the skier or rider taking off from, or landing at, such pier.

(b) **HOURS.** No person shall operate a boat, while towing a person on water skis, aquaplane, surfboard or any similar device, at any time from sunset to sunrise.

(c) **OCCUPANTS OF BOAT.** No person shall operate a boat while pulling or towing any person on water skis, aquaplane, surfboard or any similar device, or permit himself to be towed for such purpose, unless there are two persons over 12 years of age in such boat, and the operator of the boat shall maintain a forward lookout.

(d) **EXEMPTIONS FROM SPEED RESTRICTIONS.** The following are exempt from the speed restrictions in section 4.02(4)(a): (i) a boat commencing to tow a person on water skis, aquaplane, surfboard or similar device, or landing such person, and (ii) a boat towing a water skier to make a jump over a ski jump platform anchored in the water within 200 feet from a shoreline, provided the location of such platform is approved in a permit issued therefore by the Chief of Police.

(8) **ANCHORAGES AND STATIONARY OBJECTS.**

(a) **MOORING LIGHTS REQUIRED.** No person shall moor or anchor any boat more than 100 feet from the shoreline between one hour after sunset and one hour before

sunrise unless there is prominently displayed thereon a white light of sufficient size and brightness to be visible from any direction for a distance of 1500 feet on a dark night with clear atmosphere.

(b) RAFTS AND BUOYS. No person shall erect or maintain any raft, platform or buoy more than 100 feet from the shore unless it is so anchored that it has at least 10 inches of free board above the water line, and either (i) is painted white and has attached thereto not less than 12 inches from each corner or projection a red reflector in good condition not less than 3 inches in diameter, or (ii) is painted with a band at least three inches in width of luminous paint so as to be visible from any direction.

(9) RACES, REGATTAS, SPORTING EVENTS, EXHIBITIONS, COURSES AND JUMP PLATFORMS.

(a) PERMIT REQUIRED. No person shall direct or participate in any boat race, regatta, water ski meet, or other water sporting event or exhibition, nor shall any person set up or use a boat or waterski course or jump platform, unless such event, course or jump platform has been authorized and a permit issued therefor by the Chief of Police.

(b) PERMIT. A permit issued under this section shall specify the course or area of water to be used by the permittee for such event, course or jump platform and the permittee shall be required to place markers, flags or buoys approved by the Chief of Police designating the specified area. Any waterway markers authorized by the Chief of Police must meet the size and shape requirements as set forth in NR 5.09(7)(b), Wis. Adm. Code, or any successor thereto. Permits shall be issued only if in the opinion of the Chief the proposed use of the water can be carried out safely and without danger to or substantial obstruction of other watercraft or persons using the lake. Permits shall be valid only for the hours and areas specified thereon.

(c) RIGHT OF WAY PARTICIPANTS. Boats, waterskiers and participants in any such permitted event or who have received a permit to set up and use a boat or waterski course or jump platform shall have the right of way on the marked area and no other person shall obstruct such area during the race, event or other permitted use or interfere therewith.

(10) LITTERING WATERS PROHIBITED. No person shall deposit, place or throw any cans, paper, bottles, debris, refuse, garbage, solid or liquid waste into the water of, or upon the ice of, the lake.

(11) SPEAR GUNS. No person shall have in his possession any loaded spear gun.

(12) MARKERS AND NAVIGATION AIDS; POSTING ORDINANCE.

(a) DUTY OF CHIEF. The Chief of Police is authorized and directed to place and maintain suitable markers, navigation aids and signs in such water areas as shall be appropriate to advise the public of the provisions of this ordinance and to post and maintain a copy of this ordinance at all public access points within the jurisdiction of the village.

(b) STANDARD MARKERS. All markers placed by the Chief or any other person upon the waters of the lake shall comply with the regulations of the Wisconsin Department of Natural Resources.

(c) INTERFERENCE WITH MARKERS PROHIBITED. No person shall without authority remove, damage or destroy or moor or attach any watercraft to any buoy, beacon or marker placed in the waters of the lake by the authority of the United States, state or village or by any private person pursuant to the provisions of this ordinance.

(13) PENALTIES. Any person violating any provision of this Section 4.02 shall upon conviction thereof be subject to the penalties provided in Section 30.80 of the Wisconsin Statutes, which is hereby adopted and by reference made a part of this ordinance as if fully set forth herein, except that all references to fines are amended to forfeitures and all references to imprisonment deleted. Any violation of this Section 4.02 for which no specific penalty is provided in Section 30.80 of the Wisconsin Statutes shall be subject to the penalties provided in Section 30.80(1) of the Wisconsin Statutes.

4.03 BOATING - NORTH LAKE AND BEAVER LAKE.

(1) PURPOSE: The Town Board of the Town of Merton, and the Village Board of the Village of Chenequa, each being a municipality as defined in Chapter 30 of Wisconsin Statutes, and each having jurisdiction of a portion of North Lake and Beaver Lake, both being inland lakes, located in Waukesha County, do ordain jointly and identically in conformity with sections 30.77 and 30.81 of the Wisconsin Statutes, as follows:

(2) INTENT. The intent of this ordinance is to provide safe and healthful conditions for the enjoyment of aquatic recreation consistent with public rights and interest and the capability of the water resource.

(3) APPLICABILITY AND ENFORCEMENT. The provisions of this Ordinance shall apply to the waters of North Lake and Beaver Lake, within the jurisdiction of the Town of Merton and Village of Chenequa. The provisions of this ordinance shall be enforced by the officers of the Water Safety Patrol of the Town of Merton and/or the Village of Chenequa.

(4) STATE BOATING AND WATER SAFETY LAWS ADOPTED. The statutory provisions describing and defining regulations with respect to water traffic, boats, boating and related water activities and safety in the following enumerated sections of the Wisconsin Statutes, exclusive of any provisions therein relating to the penalties to be imposed or the punishment for violation of said statutes, are hereby adopted and by reference made a part of this ordinance.

(17) WISCONSIN STATUTES DEFINED. Whenever used in this Ordinance the term "Wisconsin Statutes" shall mean the Wisconsin Statutes of 1973 and all amendments thereof.

(18) REPEAL OF CONFLICTING ORDINANCES. All ordinances regulating water traffic, boats, boating or water sports upon the waters covered by this ordinance and all ordinances or parts of ordinances in conflict with this ordinance, heretofore enacted by the Town Board of the Town of Merton and the Village Board of the Village of Chenequa, are hereby repealed.

(19) SEVERABILITY. The provisions of this ordinance shall be deemed severable and it is expressly declared that the Town Board of the Town of Merton and the Village Board of the Village of Chenequa would have passed the other provisions of this ordinance irrespective of whether or not one or more provisions may be declared invalid and if any provisions of this ordinance or the application thereof to any person or circumstances is held invalid, the remainder of the ordinance and the application of such provisions to other persons or circumstances shall not be affected thereby.

4.04 AUTOMOBILES AND TRUCKS ON NORTH LAKE.

(1) The Town Board of the Town of Merton and the Village Board of the Village of Chenequa, each being a municipality as defined in Chapter 30 of the Wisconsin Statutes, and each having jurisdiction of a portion of North Lake, an inland lake located in Waukesha County, do ordain jointly and identically in conformity with 30.77 and 30.81, Stats., as follows:

(2) No person shall operate or park or permit to be operated or parked any automobile or truck upon the ice of North Lake.

(3) The definitions contained in Chapter 340 and any amendments thereto are hereby incorporated by reference as if fully set forth herein.

(4) Any person violating any provision of this ordinance shall, upon conviction thereof, forfeit an amount set forth in the general penalties section of the General Code of Ordinances of the Town of Merton and the Municipal Code of the Village of Chenequa.

(5) All ordinances or parts of ordinances contravening or inconsistent with the provisions of this ordinance be and they are hereby repealed.

(6) Should any section, clause or provision of this ordinance be declared to be invalid, the same shall not affect the validity of the ordinance as a whole or any part thereof, other than the part so declared to be invalid.

4.05 OPERATION AND PARKING OF MOTOR VEHICLES ON ICE - CORNELL LAKE.

(1) PURPOSE. The Village Board of the Village of Chenequa determine and declare it to be in the interest of the public health, safety and welfare to prohibit the use, operation and parking of motor and other motorized vehicles, including without limitation snowmobiles, on the ice surface of Cornell Lake in the Village of Chenequa.

(2) PROHIBITING USE AND PARKING OF MOTORIZED VEHICLES. No person shall use, operate or park a motor or other motorized vehicle, including without limitation snowmobiles, on the ice surface of Cornell Lake in the Village of Chenequa. (5/10/93)

4.06 REGULATION OF USE OF PINE LAKE PUBLIC BOAT ACCESS FACILITY.

(1) FACILITY HOURS. The public boat access facility located on Pine Lake in the Village of Chenequa (the "Facility") shall be open from 6:00 A.M. to 10:00 P.M., except on the general fishing opening weekend when the Facility shall be open on that first Saturday and Sunday from 4:00 A.M. to midnight. No boat or equipment incident to navigation (hereinafter referred to collectively as "boat") may be launched during a time the Facility is not open, but a boat on the lake at the applicable closing time may be retrieved from the lake after such closing time and a vehicle in the designated parking area at such closing time may remain there until the boat transported by such vehicle is retrieved. Except as set forth above, no person shall enter or remain on the Facility premises and no parking shall be allowed on the Facility premises at a time when the Facility is not open.

(2) USE OF PUBLIC LAUNCH SITE RESTRICTED. No person shall launch a boat from the Facility launch site unless (a) at the time of such launching, there is an available parking place in the designated parking area for the vehicle which transported the boat and (b) such vehicle is then parked in a parking place in the designated parking area; provided, however, to assure that parking in the designated parking area is limited to the general public, no owner or tenant of property on Pine Lake shall be required or permitted to park in the designated parking area after launching a boat owned by such person at the Facility's launch site.

(3) USE OF PARKING AREA RESTRICTED. A person shall only park a vehicle in the Facility's designated parking area provided that:

- (a) the vehicle is being used to transport a boat for use on Pine Lake or to transport persons for the purposes incident to navigation on Pine Lake,
- (b) the person remains in the Facility or upon Pine Lake the entire time the vehicle remains in the designated parking area,
- (c) the vehicle is parked in a marked parking place in the Facility's designated parking area, and
- (d) each parking stall contains no more than one (1) vehicle and one (1) trailer.

(4) USE OF FACILITY RESTRICTED. The Facility shall be used only for the launching of boats on Pine Lake and for providing access for purposes incident to navigation on Pine Lake and for parking associated therewith. The Facility shall not be used for fishing, hunting, camping, picnicking, swimming, sunbathing, fish cleaning, maintenance of boats and/or motors or for other recreational purposes not expressly permitted above, or sales of products and services except for collection of fees for launching of boats and parking.

(a) POWER LOADING. No person shall engage in the act of powering a motor boat of 17' in length or greater on or off the trailer at the Pine Lake Boat Launch within the Village of Chenequa with the engine being operated at a speed greater than idle speed. No

person shall continue to operate the engine while engaged in the act of launching or retrieving a motorboat after the motorboat is at rest on the trailer. A sign shall be posted at the Pine Lake launch site advising of the requirement of this sub-section, indicating no power loading, minimum forfeiture of \$150 to a maximum of \$500 for first offense and may be increased to \$1,000 for subsequent offenses.

(5) **PARKING FEES.** Fees for parking of vehicles and vehicles with trailers at the Facility's designated parking area may be charged by the Village in amounts determined from time to time by the Village Board of the Village, but in no event shall such fees exceed the fees permitted under Sections NR 1.91 through 1.93 of the Wisconsin Administrative Code.

(6) **PENALTY.** Any person found guilty of a violation of any of the terms or provisions of this ordinance shall be subject to a fine of not less than \$20.00 and not more than \$200.00 for each violation.

(7) These Code provisions shall be in full force and effect upon the opening of Facility, as determined by the President of the Village of Chenequa, and publication as provided by law.

4.07 OPERATION AND PARKING OF MOTOR VEHICLES ON ICE -PINE LAKE.

(1) **PURPOSE.** The Village Board of the Village of Chenequa determine and declare it to be in the interest of the public health, safety and welfare to prohibit the use, operation and parking of motor and other motorized vehicles, including without limitation snowmobiles, on the ice surface of Pine Lake in the Village of Chenequa.

(2) **PROHIBITING USE AND PARKING OF MOTORIZED VEHICLES.** No person shall use; operate or park a motor or other motorized vehicle, including without limitation snowmobiles, on the ice surface of Pine Lake in the village of Chenequa.

4.08 MARINE REFUELING SERVICES.

(1) **PURPOSE.** The Village Board of the Village of Chenequa shall determine and declare that certain regulations and restrictions will be placed upon entities engaged in marine refueling services on the waterways of Pine Lake.

(2) **PERMITTING.** The permitting process to conduct marine refueling services will be administered by the Village of Chenequa Administrator and/or Village of Chenequa Police Department. Permits will be considered and issued on an annual basis. All permits will expire no later than the last day of each year.

(3) **APPLICABILITY.** The provisions of this section shall apply to the waterways of Pine Lake within the jurisdiction of the Village of Chenequa.

(4) **LIMITATIONS/RULES OF APPROVAL.** Any and all portions of this section shall function as the conditions of approval for permit(s) that could be granted by the Village

Administrator and/or the Board of the Village of Chenequa in regard to marine refueling services along with such other conditions as the Village Administrator deems appropriate to carry out the purpose of this section including a reasonable permit fee. A violation of any portion of this section is considered material and could result in the revocation of a permit already granted under this section or the denial of a permit under this section.

(5) RULES OF OPERATION. Persons operating marine refueling services must comply with the following minimum requirements:

- (a) Refueling services are restricted from being offered on weekends and holidays.
- (b) Refueling services can only be offered from May 1 through September 30 of each year.
- (c) A marine refueling service shall only make one round trip around Pine Lake per day.
- (d) Refueling services shall operate from sunrise to no later than 3:00 p.m.
- (e) Any marine craft used for refueling services shall be trailored at all times when not in use.

(6) WATER CRAFT LIMITATIONS. Water crafts under this section must comply with the following limitations:

- (a) Water craft used for refueling services shall not exceed twenty-one (21) feet.
- (b) Water craft used for refueling services shall be equipped with a seventy-five foot long hose on a reel.
- (c) Water craft used for refueling services shall be equipped with an electric fuel transfer pump.
- (d) Water craft used for refueling services shall be equipped with an automatic shutoff nozzle.
- (e) Water craft used for refueling services shall comply with all relevant requirements by applicable state and federal rules and regulations.

(7) SAFETY REQUIREMENTS. Persons operating marine refueling services shall observe the following minimal safety requirements:

- (a) Persons operating marine refueling services shall adhere to all federal, state, county and local laws and ordinances when conducting marine refueling services within the jurisdiction of the Village of Chenequa.
- (b) Any water craft used for refueling services shall operate within fifty (50) feet of the shoreline, at slow-no-wake speeds.
- (c) Any water craft used for refueling services shall operate in no-wake zones.
- (d) Refueling services shall not operate during weekends or holidays.
- (e) Any water craft used for refueling services shall not be left unattended.
- (f) All refueling equipment used by marine refueling services shall comply with all requirements and codes set forth by all relevant state and federal agencies.
- (g) Any and all efforts shall be made by persons operating marine refueling services to prohibit or inhibit the spread of zebra mussels and Eurasian milfoil or other hazardous nuisance as determined by the Village Board.
- (h) No fuel spills will be tolerated and could result in an immediate termination of a license which allows for marine refueling services.
- (i) Any person operating a water craft used for marine refueling services must be at least twenty-one (21) years of age.
- (j) Any water craft used by marine refueling services shall be primarily powered by two motors of equal power to aid in the maneuverability of the marine water craft.
- (k) All operators of water craft used by marine refueling services shall be trained in regard to operating and emergency response procedures.
- (l) Any water craft used by marine refueling services shall be equipped with proper on-board fire protection.
- (m) The design and operation of any marine refueling service shall be in accordance with any and all information provided by the Wisconsin Department of Commerce.
- (n) Refueling of any water craft used for marine refueling shall not take place through the use of a secondary fuel source within the Village of Chenequa.
- (o) Marine refueling services shall be prohibited from operation if: (i) winds on Pine Lake exceed twenty (20) miles per hour; or (ii) a severe weather alert has been issued.
- (p) Services shall not take place on those days when an organized outing is taking place and lake traffic is generally restricted.

(8) INSURANCE. Before commencing any services, any operator of a marine refueling service must present to the Village Administrator: a specific insurance policy which provides coverage for spills and environmental cleanup costs, property damage (through collision, fire, explosion, environmental) and personal injury; and proof that the coverage shall be in effect at all times, regardless of whether the marine refueling water craft is in the water, in transport or in storage.
